Organizations Submitting Certification Data Using the 2023 Magnet® Application Manual

Submit a full baseline year plus two years of data of professional board certifications accredited by:

- Accreditation Board of Specialty Nursing Certifications (ABSNC)
- National Commission Certifying Agencies (NCCA)
- ISO 17-024 (ANSI)
- International Certification Accreditation Council (ICAC)

Do you need to recalculate your baseline data based on the change to professional board certification?

YES

1. Verify certifications for inclusion
2. Remove all certifications that are not professional board certifications
3. Calculate percentage of registered nurses
4. Establish year one and year two goals (per source language and criteria)

NO

Submit data as described above and per source language and criteria
