

American Nurses Foundation and ANA Enterprise

The American Nurses Foundation (the Foundation) is a 501(c)(3) charitable organization that is part of the ANA Enterprise, a family of organizations that also includes the American Nurses Association and the American Nurses Credentialing Center. The three organizations work together as a cohesive system to achieve the Enterprise vision of creating a healthy world through the power of nursing.

As the charitable organization, the Foundation is powered by the generosity of its donors and volunteers. Visit www.givetonursing.org to learn more about donors' impact on nurses and the nursing profession.

The donor list reflects donations and pledges from January 1, 2019, through December 31, 2019. If there is an error in the listing, please contact the staff at the American Nurses Foundation at **301-628-5227** or givetonursing@ana.org so that we may correct our records.
